Typical Duration

Home Students can attend either part-time or full-time. International students can attend only on a full-time basis.

It is possible for Home students to move from full-time to part-time study and vice-versa to accommodate any external factors such as financial constraints or domestic commitments. Many of our students make use of this flexibility and this may impact on the overall duration of their study period.

The duration of this course is two calendar years full-time if enrolment is in September, and four calendar years part-time.

The time limit for completion of a course is five years after first enrolment on the course.

Further Information

More information about this course is available from:
