

Directory of Services & Organisations for Refugees, Asylum Seekers & Migrants: 2020 Edition

This directory is intended for refugees, asylum seekers, migrant communities, health and social care practitioners and agencies working with them to identify services that offer advice and support to assist refugees and asylum seekers and migrants to settle and rebuild their lives in the UK.

Charity organisations and services alter regularly; some may close or reduce the services they provide, or new ones set up. Although, every effort has been made to ensure that the information in this Directory is correct and up-to-date, please check this information with service providers before passing onto others. The Directory is updated on a yearly basis and in order to ensure you have the latest edition, please access it through UEL website.

The inclusion of services and organisations in this Directory is not indicative of our endorsement of such services.

If you are aware of any organisations and services that should be added and/or details corrected, please let us know by emailing farahfarsimadan@yahoo.co.uk

Organisations are divided into nationwide, regional, international and London-based, are in alphabetical order and a website link is also provided. The Directory concludes with useful mental health organisations and services website links that provide support, advice and information which may be beneficial to refugees, asylum seekers and health and social care professionals and services working with them.

In the event that the webpage does not load when you click on the URL, please highlight and copy the URL and paste onto the internet search bar to open the webpage.

This Directory has been produced by Dr Farkhondeh Farsimadan, a Chartered Counselling Psychologist, who is an Associate Fellow of the British Psychological Society and an HCPC registered psychologist.
