

# Non-Student visa Compliance Declaration

It is important that you fully understand and comply with the conditions of your visa. In addition, it is also important that you understand the record keeping and right to study check responsibilities placed upon the University of East London (UEL) as a Home Office licensed sponsor.

By enrolling to study at UEL, you are confirming that you fully understand and agree to comply with the conditions of your visa during your studies at UEL as outlined below:

- ensure that you continue to comply with the conditions of your visa and that you do not change the main purpose for your stay in the UK, as any failure to do so, could affect the continuation of your studies at UEL;
- complete your enrolment and register for modules on arrival at UEL and before the latest date to enrol;
- complete any re-enrolment as required within the necessary time period;
- pay tuition fees promptly, in line with any pre-arranged payment plan;
- provide your original passport, visa and other relevant documents relating to your visa promptly to the International Compliance Team (ICT) as required;
- promptly notify and provide the ICT of any updates to your passport and/or visa, including communications from UKVI regarding a pending visa application, or notification your visa has been refused and change of visa category as this could have an impact on your continued studies in the UK;
- keep your contact details up to date on UEL Direct, including changes of address and telephone number and email address;
- attend all scheduled classes, meetings with tutors, dissertation meetings with supervisor and any other arranged sessions, in line with UEL's Engagement Policy;
- give consent to UEL to liaise with the Home Office (UK Visas and Immigration (UKVI)) in relation to your immigration status, as appropriate;
- seek advice from the International Students Advice team as early as possible if your immigration status is likely to change, in addition to keeping ICT updated with any changes as outlined above;
- understand that you have been permitted to enrol at UEL on the basis of holding current immigration permission that permits study. If your immigration permission expires during the duration of your programme and it is not possible for you to renew this or to switch to a Student visa, you will need to leave the UK and you may not be able to complete your studies at UEL;
- demonstrate that you meet the requirement for Student visa, if you require the university to sponsor you under this visa category.
