Note: Figures have been reported annually as in the indicator information rather than monthly in the original sheet												

Number of passengers													
			2003	2004	2005	2006	2007	2008	2009	2010	2011	Jul-12	Aug-12
Scheduled	Transit		310251	251095	249371	205547	241354	175158	148797	166238	57639	7937	10237
Scheduled	Terminal		107445799	116430610	122224800	126148481	129528400	127732725	122668695	120240939	126966767	12538809	12649371
Charter	Transit		106383	76858	83258	84277	51403	43338	25873	20068	24504	1382	1198
Charter	Terminal		12630806	12175437	11279398	10754653	10129436	9154820	7464573	6926174	6660417	805014	903109
Notes:													
The summary table does not distinguish between those arriving and those departing and there are no figures for disabled													
City taken to be London area airports: Gatwick, Heathrow, London City, Luton, Southend and Stansted													

Air Freight in tonnes											
	2003	2004	2005	2006	2007	2008	2009	2010	2011	Jul-12	Aug-12
Tonnes	1667803	1795326	1788671	1717360	1724040	1743028	1563783	1808005	1802939	156487	151615
Note: the totals in the published tables are not broken down for "set down" and "pick up". These could be calculated with more time.											
Note: City taken to be London area airports: Gatwick, Heathrow, London City, Luton, Southend and Stansted											
Note: Unlike in original template these are reported in tonnes
