“I dream my painting and I paint my dream.” - Vincent van Gogh

I am delighted to invite you to the highlight of our creative calendar - The ORK-SHUN! Following the resounding success of last year, we at the School of Architecture, Computing and Engineering, University of East London are once again showcasing our masterpieces in this very popular annual art auction event.

Join us at the Lightwell, Docklands Campus, London E16 2RD on Thursday 11th April, for an unforgettable experience in celebrating the contemporary art and innovation. Our talented Visual Arts students and staff have outdone themselves, exploring an array of disciplines from traditional painting and sculpture to cutting-edge video, photography, printmaking, and even the frontiers of 3D scanning, virtual reality, augmented reality, and robotics.

Apart from the chance to secure unique art pieces, you'll be directly supporting our students' journey towards their degree show. It is an opportunity to immerse yourself in the future of art and creativity.

Don't miss out on this chance to witness and own a piece of the future of art. Let's celebrate the power of creativity and support the next generation of artists together. My team and I look forward to welcoming you to the Ork-Shun. Please do not hesitate to contact us if you require any further information.

**Professor David Tann

School of Architecture, Computing and Engineering**

The Visual Arts Cluster Auction 2024 sees the return of a long-standing event held yearly organised at the University of East London and with works donated across the AVA

This year we opened the auction to include more of our department's courses showcasing student, staff and established artists work donated for the event. It is a moment to commune around the value of art and for buyers to collect a piece that captures their imagination. The work is hung in our Lightwell event space and MC'd and auctioned by film-maker and UEL ACI academic Julien Alexander.

The auction is also a mechanism with a committee made up of final year BA Fine Art students that trains them in the operations of running a successful event, from acquiring artworks, cataloguing the inventory, creating and managing the event, dealing with the economics, processing the sales/ packaging and finally distributing the artworks to their new buyer.

In the past we have had established and emerging artists donating work for the auction held in various locations. For 'ORKSHUN 2024' we are in-house with bar, sales desk, paddles, wrapping station and a bunch of thirsty art-hungry buyers!

All it remains for me to say is happy bidding and good luck!

Dr Keith Winter
PhD MArch DipArch BSc Arch (hons) ARB SFHEA

Course Leader in BA (hons) Interior Design
Course Leader in BA (hons) Interior Architecture

Auction Rules and Regulations

1 All bidders must register prior to the start of the auction with the 'Ork-Shun' attendants at AVA foyer reception desk. Registration will require the bidder to provide their name and contact information

2 All bidders are expected to conduct themselves in a respectful and appropriate manner.

3 Guests arriving after 7pm can register still but will need to do so inside the auction venue (The Lightwell).

4 Some items may have a reserve price set by the donor. If the highest bid does not meet the reserve price, the item will not be sold.

5 Payment for all items must be made in full at the conclusion of the event.

6 All auction lot items must be paid in full by debit/ credit card by the end of the event. Unfortunately we cannot accept cash transactions.

7 Guests are responsible for collecting their winning auction lot items before the event closes.

8 All purchases are final. No exchanges or refunds on auction items.

9 In the event of a payment dispute, the auction organisers reserve the right to cancel the sale and re-auction the item.

10 By participating in the auction fundraiser event, all participants agree to these terms and conditions.
