### Before we can offer you an interview, you need to complete the following tasks

#### Task 1

**Prepare a 1-2min performance of your own choice**, making sure you cover at least one the three performing arts disciplines at the heart of our course:

**Acting (a piece from either a published script or a piece you've devised/written.)**

**Music (includes singing and/or playing an instrument)**

**Movement (Includes Dance and Physical Theatre)**

The piece might be something you have previously performed; or you might create your own original material. It might combine the above disciplines, for example a physical theatre piece using text.

#### Task 2

**Act out the below monologue towards the camera.** It is ok to read the script rather than be off-book, but make sure you try and connect to the camera as much as possible, imagining your audience behind the lens. The Monologue is from a play called *Moonlight* (1993) by Harold Pinter.

#### **Monologue for task 2:**

I can't sleep. There's no moon. It's so dark. I think I'll go downstairs and walk about. I won't make a noise.

I'll be very quiet. Nobody will hear me. It's so dark and I know everything is more silent when it's dark. But I don't want to wake my father and mother. They're so tired. They have given so much of their life for me and for my brothers. All their life, in fact. All their energies and all their love.

They need to sleep in peace and wake up rested. I must see that this happens. It is my task.

Because I know that when they look at me they see that I am all that they have left of their life.

Please record both of these tasks on video and email to Carrie Mueller ([c.mueller@uel.ac.uk](mailto:c.mueller@uel.ac.uk)) and Tristan Parkes ([t.parkes@uel.ac.uk](mailto:t.parkes@uel.ac.uk)) via an online link (YouTube, Vimeo or WeTransfer usually work best).

Your email should have the subject line of '**ONLINE AUDITION**' and include your **full name, applicant reference number, contact email address, and contact telephone number** in the body of the message.

**After we have received your self-tape, we will be in touch to arrange an online interview.**
