Section 2 – Data Protection

The University of East London is a Data Controller in accordance with the Data Protection Act 2018. The personal data you submit as part of your application will be used by SMART for administration of your application and not for any other purpose. Anonymised statistical data may be used to monitor fund distribution. For more information about how UEL use your personal data, please visit: [Data Protection \(sharepoint.com\)](#) or email dpo@uel.ac.uk We are monitored and audited to ensure that we are following the guidelines laid out as to the allocation of these bursaries.

Section 3 – Declaration

I confirm that I have read and understood the guidance notes and that the information supplied within this application is true. I accept the bursary conditions and acknowledge current guidance on bursary entitlements. I accept that I should promptly inform SMART if I intend to withdraw or intermit from the course. I understand that I will be invoiced for any overpayment of the SKE bursary should I intermit or withdraw from the SKE programme.
